

Certificate of Approval

This is to certify that the Management System of:

Toyota Tsusho Corporation Group

4-9-8, Meieki, Nakamura-ku, Nagoya-shi, Aichi-ken 450-8575, Japan

has been approved by LRQA to the following standards:

ISO 14001:2015
JIS Q 14001:2015

Approval number(s): ISO 14001 – 0066397

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Trading, distribution and business development in any field including iron & steel, non-ferrous metals, machinery, vehicles, energy and chemicals, wind power generation, textile, food products, general merchandise, information technology and financial products, recycling of auto parts and used metal products, construction management, modification, installation and maintenance of machinery, and operation of oil terminal, gasoline and auto gas stations.

Yasushi Horikawa

Japan Operations Manager

Issued by: LRQA Limited
